MANAGEMENT DISCUSSION & ANALYSIS

Since its inception, Cords Cable Industries has diversified its business model and has shown significant presence, especially in the domestic market, serviced largely the institutional segments and has catered both the private and public sector clients. The company continued to fine tune its production output to meet country's changing demands. The company met the demand for high-quality customized cables that included control, instrumentation, thermocouple and power cables. Specialty cables have emerged as a significant market on account of the growth in sophisticated applications in many vital sectors of the Indian as well as world economy.

ECONOMIC OVERVIEW

GLOBAL: Growth prospects have weakened throughout the world economy, according to the June 2016 Global Economic Prospects. Global growth for 2016 is projected at 2.4 percent, 0.5 percentage point below the January forecast. Emerging market and developing economies (EMDEs) are facing stronger headwinds, including weaker growth among advanced economies and low commodity prices. Significant divergences persist between commodity exporters struggling to adjust to depressed prices and commodity importers showing continued resilience.

However, global growth is projected to pick up to 3 percent by 2018, as stabilizing commodity prices provide support to commodity exporting EMDEs. Downside risks have become more pronounced. These include deteriorating conditions among key commodity exporters, softer-than-expected activity in advanced economies, rising private sector debt in some large emerging markets, and heightened policy and geopolitical uncertainties.

(Source : <http://www.worldbank.org/en/publication/global-economic-prospects>)

The Updated Forecast

Global growth is projected at 3.4 percent in 2016 and 3.6 percent in 2017.

Advanced Economies

Growth in advanced economies is projected to rise by 0.2 percentage point in 2016 to 2.1 percent, and hold steady in 2017. Overall activity remains resilient in the United States, supported by still-easy financial conditions and strengthening housing and labour markets, but with dollar strength weighing on manufacturing activity and lower oil prices curtailing investment in mining structures and equipment. In the euro area, stronger private consumption supported by lower oil prices and

easy financial conditions is outweighing a weakening in net exports. Growth in Japan is also expected to firm in 2016, on the back of fiscal support, lower oil prices, accommodative financial conditions, and rising incomes.

Emerging Market and Developing Economies

Growth in emerging market and developing economies is projected to increase from 4 percent in 2015—the lowest since the 2008–09 financial crisis—to 4.3 and 4.7 percent in 2016 and 2017, respectively.

- Growth in China is expected to slow to 6.3 percent in 2016 and 6.0 percent in 2017, primarily reflecting weaker investment growth as the economy continues to rebalance. India and the rest of emerging Asia are generally projected to continue growing at a robust pace, although with some countries facing strong headwinds from China's economic rebalancing and global manufacturing weakness.
- Aggregate GDP in Latin America and the Caribbean is now projected to contract in 2016 as well, albeit at a smaller rate than in 2015, despite positive growth in most countries in the region. This reflects the recession in Brazil and other countries in economic distress.
- Higher growth is projected for the Middle East, but lower oil prices, and in some cases geopolitical tensions and domestic strife, continue to weigh on the outlook.
- Emerging Europe is projected to continue growing at a broadly steady pace, albeit with some slowing in 2016. Russia, which continues to adjust to low oil prices and Western sanctions, is expected to remain in recession in 2016. Other economies of the Commonwealth of Independent States are caught in the slipstream of Russia's recession and geopolitical tensions, and in some cases affected by domestic structural weaknesses and low oil prices; they are projected to expand only modestly in 2016 but gather speed in 2017.
- Most countries in sub-Saharan Africa will see a gradual pickup in growth, but with lower commodity prices, to rates that are lower than those seen over the past decade. This mainly reflects the continued adjustment to lower commodity prices and higher borrowing costs, which are weighing heavily on some of the region's largest economies (Angola, Nigeria, and South Africa) as well as a number of smaller commodity exporters.

INDIA : Real GDP growth or Gross Domestic Product (GDP) growth of India at constant (2011-12) prices in the year 2015-16 is estimated at 7.56 percent as compared to the growth rate of 7.24 percent in 2014-15. Quarterly GDP growth rates are: Q1 (7.5%), Q2 (7.6%), Q3 (7.2%), Q4 (7.9%).

GVA growth rates of Agriculture & allied, Industry, and Services sector are 1.25%, 7.4%, and 8.92%, respectively. Manufacturing growth is at 9.3%. India has registered highest growth of 10.3% in 'Financial, real estate & professional services' sector and lowest 1.2% in 'Agriculture, forestry & fishing' sector.

At current prices, GDP growth rate for year 2015-16 is 8.71%. Growth rates for Q1, Q2, Q3 and Q4 are 8.8%, 6.4%, 9.1% and 10.4%, respectively. At constant prices GVA (Gross Value Added), GNI (Gross National Income), NNI (Net National Income) growth of India is estimated at 7.2%, 7.5% and 7.6%, respectively. At current prices, these figures are 7.0%, 8.7% and 8.7%.

Gaining momentum, economy grew by 7.9 per cent in March quarter to consolidate India's position as the fastest growing major economy with a five-year high growth rate of 7.6 per cent for the full fiscal on robust manufacturing growth. The farm sector also rebounded to the growth zone, as against a contraction in previous year, although the rate of expansion was low at 1.2 per cent in 2015-16.

INDUSTRY SCENARIO

Wire and Cable industry's fate is closely linked to that of the industrial growth in general. Cables are crucial infrastructure backbone of an economy - the critical elements that wire up the length and breadth of the country. With the green shoots visible in with the expectation of a stable pro-reform, growth focused government at the centre and as per the indications available, the growth is expected to pick up slowly in the later part of the financial year provided improved governance and concerted action to resolve structural bottlenecks are effectively in place. Demand for cables is expected to improve further with the improvement in industrial growth. The Indian Wire and Cable industry offers lucrative scope for stable revenue streams to the manufacturers of specialised control and instrumentation cables. The prospects of the Wire and Cable industry are interlinked with the health of other industries viz: power, telecom, railways, real estate, steel, cement, refineries, infrastructure etc., government's procurement policies, strategic diversifications and switching over

to integrated manufacturing. With the growth of other related industries, the Indian Wire and Cable industry is indeed bound to grow & prosper.

OPPORTUNITIES IN VARIOUS SECTORS

Cable and wire industry has established itself as a backbone of modern information age. The increasing importance for power, light, data, signalling, communication and automation etc. has kept demand high for wire and cable. This trend will continue as demand for reliable, efficient energy and data communications will strengthen the wire and cable industry. Cables play a small but significant part in infrastructure activities. With strong investments proposed across sectors such as power, realty, industrial, freight corridors, defence, shipping, inland waterways, petro-chemicals, other infrastructure projects and telecom the cable industry in India is slated for a strong growth going forward.

Apart from the above, Government impetus in refineries, ports, airport modernization, renewable power and fertilizers will offer a boost to the wire and cable industry as almost all manufacturing companies need cables. Robust industrialization and growing urbanization are also one of the important drivers identified. Auto sector and railways are the other important sectors consuming wires and cables on a large scale. Additionally, growth will be fuelled by urbanization as cables and wires will be required in buildings and offices.

POWER

Power or electricity is very essential constituent of infrastructure affecting economic growth and welfare of the country. India is the 5th largest producer of electricity in the world. At an electricity-GDP elasticity ratio of 0.8, electricity will continue to remain a key input for India's economic growth. Electricity demand is likely to reach 155 GW by 2016-17 & 217 GW by 2021-22 whereas peak demand will reach 202 GW & 295 GW over the same period respectively.

The Planning Commission's 12th Five-Year Plan estimates total domestic energy production to reach 669.6 million tonnes of oil equivalent (MTOE) by 2016-17 and 844 MTOE by 2021-22. By 2030-35, energy demand in India is projected to be the highest among all countries according to the 2014 energy outlook report by British oil giant, BP.

The Ministry of Power has identified following five Ultra Mega Power Projects (UMPP) for bidding: (i) Cheyyur UMPP, Tamil Nadu. (ii) Bedabahal UMPP, Odisha. (iii) Bihar UMPP. (iv) Deoghar UMPP, Jharkhand. (v) Tilaiya UMPP, Jharkhand (re-bid). Bidding for three UMPPs namely Cheyyur UMPP, Tamil Nadu, Bedabahal UMPP,

Odisha and Bihar UMPP would attract an investment of approx. Rs. 90,000 crore. Deoghar UMPP and Tilaiya UMPP, Jharkhand may be bid out in the coming financial year after due process is met, attracting investment of Rs. 60,000 crore.

(Source: <http://www.financialexpress.com/article/economy/power-sector-in-india> & <http://www.ibef.org/industry/power-sector-india.aspx>)

The positive trend in the power sector is one of the most important catalysts for the wire and cable industry. Cables play a crucial part in all the three aspects of the power sector - generation, transmission and distribution. Therefore, the trend of wire and cable industry is to some extent dependent upon the power sector.

REAL ESTATE SECTOR

The Indian real estate sector is one of the most globally recognized sectors. In the country, it is the second largest employer after agriculture and is slated to grow at 30 per cent over the next decade. It comprises four sub sectors - housing, retail, hospitality, and commercial. The growth of this sector is well complemented by the growth of the corporate environment and the demand for office space as well as urban and semi-urban accommodations.

Real estate is currently the fourth-largest sector in the country in terms of Foreign Direct Investment (FDI) inflows. Total FDI in the construction development sector during April 2000–May 2015 stood at around US\$ 24.07 billion.

The Government of India has been supportive to the real estate sector. In August 2015, the Union Cabinet approved 100 Smart City Projects in India. The Government has also raised FDI limits for townships and settlements development projects to 100 per cent. Real estate projects within the Special Economic Zone (SEZ) are also permitted 100 per cent FDI. In Union Budget 2015-16, the government allocated US\$ 3.72 billion for housing and urban development. The government has also released draft guidelines for investments by Real Estate Investment Trusts (REITs) in non-residential segment.

(Source: www.ibef.org/industry/real-estate-india.aspx & <http://www.ibef.org/industry/indian-real-estate-industry-analysis-presentation>)

Growth in the real estate sector is essential to the wires and cable industry.

AIRPORT MODERNIZATION

Airports being nuclei of economic activity assume a significant role in the national economy. In many remote,

hilly and inaccessible areas of the country, air transport is the quickest and sometimes the only mode of travel available. This is especially true of sensitive regions on the borders with our neighbours in the west, north and north-east. Airports need to be integrated with other modes of transport like Railways and Highways, enabling seamless transportation to all parts of the country.

India's aviation sector, like other infrastructure sectors, has shown robust growth with increased private participation under Public-Private Partnership (PPP), development of greenfield airports, restructuring and modernisation of airports, FDI in domestic airlines, increase in number of Low Cost Carriers (LCCs) and emphasis on regional connectivity.

There has been strong growth in traffic at Indian airports during 2015-16 with domestic travel increasing by 20% and international traffic by 7.8% during April-November 2015 from the corresponding period a year ago. On the other hand, international cargo throughput increased by 5.8 % and domestic by 6.1 % in April-November 2015 as compared to the corresponding period of the previous year.

Airport infrastructure during 2015-16 was developed by the Airport Authority of India (AAI) of Kadapah Airport, the New Civil Air Terminal at Chandigarh (Mohali side) and the New Integrated Terminal building at Tirupati Airport with apron and associated works. Greenfield airports at Mopa in Goa, Navi Mumbai, Shirdi and Sindhudurg in Maharashtra, Shimoga, Hasan and Bijapur in Karnataka, Kannur in Kerala, Pakyong in Sikkim, Holongi (Itanagar) in Arunachal Pradesh, Datia in Madhya Pradesh, Kushinagar in Uttar Pradesh and Karaikkal in Puducherry are at various stages of planning and execution.

(Source: http://civilaviation.gov.in/sites/default/files/moca_000766_1.pdf & <http://www.financialexpress.com/article/economy/economic-survey-2016-aviation-sector>)

Increased activity in Airport modernization shall add to the demand for specialized cables.

RAILWAYS (including Metro-rails)

Indian Railways is the lifeline of the nation. It traverses the length and breadth of the country providing the required connectivity and integration for balanced regional development. The system never rests; it has been up and working unceasingly for the last several decades. It is an integral part of every Indian's being. It is one of the pillars of the nation.

Vision 2020 addresses another major development challenge, which is both national and global in nature, namely, reducing hazardous carbon emissions that have triggered climate change. So far, there has been inadequate recognition of the Railways' contribution towards India's climate protection efforts.

Vision 2020 addresses one of the biggest development challenges of contemporary India, namely, Growth with Jobs and not Jobless Growth. Vision 2020 aims at considerably enhancing the Indian Railways' contribution to the national goal of achieving double-digit GDP growth rate on a sustainable basis.

Some of the major goals set for 2020 in the document include:

- (a) Establish quality of service benchmarked to the best of the railway systems in the world;
- (b) Target to achieve Zero accidents;
- (c) Target to achieve Zero failures in equipments;
- (d) Utilize at least 10% of its energy requirement from renewable sources;
- (e) Institute a foolproof eco-friendly waste management system;
- (f) Complete 4 high speed corridors of (2000 kms) and plan development of 8 others.

Four goals for Indian Railways to transform over next five years:

- a) To deliver a sustained and measurable improvement in customer experience.
- b) To make Rail a safer means of travel.
- c) **To expand Bhartiya Rail's capacity substantially and modernise infrastructure:** increase daily passenger carrying capacity from 21million to 30 million: increase track length by 20% from 1,14,000 km to 1,38,000 km: grow our annual freight carrying capacity from 1 billion to 1.5 billion tonnes.
- d) Finally, to make Bhartiya Rail financially self-sustainable. Generate large surpluses from operations not only to service the debt needed to fund our capacity expansion, but also to invest on an on-going basis to replace our depreciating assets.

Railways' budgeted annual plan outlay for 2016-17 is Rs. 121000.00 crore.

OIL AND GAS: The oil and gas sector is among the six core industries in India and plays a major role in influencing decision making for all the other important sections of the economy. In 1997-98, the New Exploration Licensing Policy (NELP) was envisaged to fill the ever-increasing gap between India's gas demand and supply. The Indian oil and gas industry is anticipated to be worth US\$ 139.8 billion by 2015. India's economic growth is closely related to energy demand; therefore the need for oil and gas is projected to grow more, thereby making the sector quite conducive for investment.

Backed by new oil fields, domestic oil output is anticipated to grow to 1 MBPD by FY16. With India developing gas-fired power stations, consumption is up more than 160 per cent since 1995. Gas consumption is likely to expand at a Compound Annual Growth Rate (CAGR) of 21 per cent during FY08-17. Presently, domestic production accounts for more than three-quarters of the country's total gas consumption.

India is the fifth-largest Liquefied Natural Gas (LNG) importer after Japan, South Korea, the United Kingdom and Spain and accounts for 5.5 percent of the total global trade. The LNG imports had increased by 24 per cent year-on-year in January 2016 to 1.98 Billion Cubic Metres (BCM). Domestic LNG demand is expected to grow at a CAGR of 16.89 per cent to 306.54 Million Metric Standard Cubic Meter per Day (MMSCMD) by 2021 from 64 MMSCMD in 2015.

(Source: http://indiainbusiness.nic.in/newdesign/index.php?param=industryservices_landing/345/1)

REFINING: India is emerging as a refinery hub as the last decade showed a tremendous growth in the refining sector. India has 17 public sector refineries and five refineries in the private sector/or as a joint venture, the largest refineries being RIL Jamnagar (Gujarat), RPL Jamnagar (Gujarat), MRPL Mangalore (Karnataka), CPCL Manali (Chennai, Tamil Nadu) and IOC Koyali (Gujarat).

Domestic oil output is anticipated to grow to 1 MBPD by FY16. With India developing gas-fired power stations, consumption is up more than 160 per cent since 1995. Gas consumption is likely to expand at a Compound Annual Growth Rate (CAGR) of 21 per cent during FY08-17. Presently, domestic production accounts for more than three-quarters of the country's total gas consumption.

In the 12th Five year plan period 50 million tonne will be added to the total refining capacity of India through capacity expansion projects of existing units. While new refinery units, which are expected to come up in the near future, will add up to 90.5 million tonne to India's total refining capacity.

Company is actively supplying cables to the Hydrocarbon sector & the impetus on the above shall boost the demand for cables. With strong investments proposed across sectors, the cable industry in India is slated for a strong growth going forward.

RISKS AND CONCERNS

Liquidity Risk: Liquidity risk is the risk that a given security or asset cannot be traded quickly enough in the market to prevent a loss. All businesses need to manage liquidity risk to ensure that they remain solvent. The company manages the liquidity risk through prudent resource planning to ensure the availability of adequate funds at all times to meet its obligations on its liabilities as well as disbursement on due dates.

Finance Cost Risk: Finance Cost risk arises due to payment of high rate of interest on term loans and other funds & non fund based facilities being availed by the company from banks and other financial institutions. The company tries to minimize this risk by keeping a check on the interest rates charged by various banks and by swapping its long term/short term loans with banks charging lesser interest rates.

Raw Material Availability and Price Fluctuations: Scarce availability and price-volatility in Company's Basic Raw Materials - Copper, Aluminium, Steel, and PVC etc. can severely impact the profits of the Company. To mitigate these risks, the Company inculcates MOUs with its suppliers, price escalation clauses for large orders and hedges these raw-materials on the commodity exchange.

Foreign Exchange Risk: Foreign exchange risk is a financial risk posed by an exposure to unanticipated changes in the exchange rate between two currencies. Company imports a part of its raw materials and is also engaged in export of its products. To mitigate this risk, the company resorts to forward booking where deemed appropriate.

Human Resource Risk: In the absence of quality human resources, the company may not be able to execute its growth plans. To mitigate this risk, the company places due importance to its human capital assets and invests in building and nurturing a strong talented pool to gain strategic edge and achieve operational excellence in all its goals.

During the year under review, Net Sales from Operations stood at Rs. 2,83,32,70,311/-, as against Rs. 2,65,02,69,742/- in FY'15.

The Operational Profit, before making provision for Interest, Depreciation and Amortization, stood at Rs. 29,26,87,909/- for FY'16 as against Rs. 2,72,84,7181/- in FY'15. Thereby, the Profit After Tax during the year stood at Rs. 3,10,58,526/-, as against Rs. 2,70,20,258/- in the previous Financial Year' 15.

Your Company has been earning profits since inception. However, during the past few years profitability of the Company is adversely impacted primarily due to following reasons:

- The economy and the industry, as a whole, has witnessed a comparatively longer working capital cycle during past years which has adversely effected your company as well. Due to this increased working capital cycle your company has also witnessed an increase in the overall finance costs.
- Your Company is mainly engaged in the business of manufacturing cable to be used in industries. During the past few years, due to the overall adverse economic environment around the globe, the investments in new projects were put on hold by most of the companies. The increase in the net sales was not at par with the expectations marginally due to lower realizations.

However, The Company is constantly working upon achieving better efficiencies, cutting costs at every stage of production, better preventive maintenance, making product mix having higher contribution and achieving higher production so that the company can achieve the scale of economy and maintain higher margin of profit. There was an infusion of capital in the company in February, 2016 as an endeavour taken in same direction.

Also, the interest rates are expected to likely soften in near future and company is hence expected to save on its finance outgoes.

SEGMENTAL OVERVIEW

The company operates under a single product segment i.e. Cables. The company mainly focuses on specialized control and instrumentation cables which differentiates it from other cable players in the country.

INTERNAL CONTROL SYSTEM

The system of Internal Control provides for maintenance of proper accounting records, reliability of financial information and assures its operations are effective and efficient, and its activities comply with applicable laws and regulations. The internal audit is carried out by an independent firm of Chartered Accountants and covers all the key areas of the company's business.

INDUSTRIAL RELATIONS AND HUMAN CAPITAL

The Company strives to provide the best working environment with ample opportunities to grow and explore. The Company maintained healthy, cordial and harmonious industrial relations at all levels throughout the year. Every initiative and policy of the Company takes care of welfare of all its employees. The human resource development function of the Company is guided by a strong set of values and policies.

FUTURE OUTLOOK

The vision of CORDS is to be recognized as a leading global player, providing products and services, offering comprehensive solutions to the electrical and data connectivity requirements of businesses as well as household users. It focuses on capturing new markets by developing customers in new and existing territories, to provide new cables for special applications like solar, marine, low temperature cables, cables for automobiles etc.

CAUTIONARY STATEMENT

Statement made in this report in describing the company's objectives, estimates and expectations are "Forward looking Statement" within the meaning of applicable laws and regulations. They are based on certain assumptions and expectations of future events but the company, however, cannot guarantee that these assumptions are accurate or will be materialized by the company. Actual results may vary from those expressed or implied, depending upon the economic conditions, Government policies and/or other related factors.

Your company earned profit after tax for the year of Rs. 3,10,58,526/- as against a PAT of Rs. 2,70,20,258/- earned in the previous year. Even though your company witnessed a jump in its Profits in FY'15-16 vis-a-vis FY'14-15, yet your company earned inadequate profits in the fiscal in respect of the remuneration payable to its managerial person(s). Major reason for earning inadequate profits in the year had been the inability of the company in producing the desirable projected volumes in the fiscal due to which its revenues saw a growth of just under 7% in FY'15-16.

Your Company has been earning profits in its operations since inception. However, the overall economy as a whole affected the profitability of the Company. Also, general worldwide economic slowdown had also adversely resulted in inadequate profits during the financial year 2015-16. During past few years due to overall adverse economic environment around the country, the investments in new projects were put on hold by most of the companies. The increase in the net sales was not at par with the expectations marginally due to lower than expected realizations, delayed and slow pick-up of the finished goods by the customers and consequently the profits were further impacted. Nevertheless, since your Company is engaged in cable manufacturing products used in projects hence demand is likely to increase significantly as Government of India has focused again on infra projects and approvals and investments in new projects will entail higher turnover of the Company which will ultimately increase the profitability of the Company. Also, your company has been continuously working upon achieving better efficiencies, cutting costs at every stage of production, better preventive maintenance, making product mix having higher contribution and achieving higher production so that your company can achieve the scale of economy and maintain higher margin of

profit. Expectation of your company in terms of increase in its profits is in line with the increase in its activity and market penetration in the potential foreseeable improving macroeconomic scenario in the country. Further, interest rates are likely to soften in near future and your company is expected to save significantly on its interest outgoes.

ISSUE OF EQUITY SHARES

During the year under review, your Company has made allotment of 15,00,000 equity shares of Rs. 10 each at a price of Rs. 43 per equity share on a preferential basis in accordance with Chapter VII of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (the "SEBI Regulations"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 42 of the Companies Act, 2013 read with the Companies (Prospectus and Allotment of Securities) Rules, 2014 (the "Issue"). The Company had issued Private Placement Offer Letter dated January 25, 2016 and the application form for the Issue (collectively referred to as the "Private Placement Offer Letter").

CAPITAL STRUCTURE

The Company has raised funds by issuance of further share capital on preferential basis. In order to carry out the said fund raising it is necessary to increase the Authorised Capital of the Company from present Rs. 15,60,00,000/- to Rs. 17,10,00,000/-, as the present authorised capital was not sufficient for issuance of the said capital on preferential basis. Hence, the board of directors of the Company (Board), vide its resolution dated January 01, 2016 has proposed to increase the authorised share capital of the Company which was subsequently approved by Shareholders in their meeting held on January 29, 2016. The new Clause V of Memorandum of Association consist of:

The Authorised Capital of the Company is Rs. 17,10,00,000/- (Rupees Seventeen Crores Ten Lakhs Only) divided into 1,35,00,000 (One Crore Thirty Five Lacs) Equity Shares of Rs. 10/- (Rupees Ten) each and 3,60,000 (Three Lacs Sixty Thousand) Preference Share of Rs.100/- (Rupees Hundred) each.

ANNEXURE –A
SECRETARIAL AUDIT REPORT
For the financial year ended 31st March, 2016

To,
The Members
CORDS CABLE INDUSTRIES LIMITED

Our Secretarial Audit Report of even date is to be read along with this letter:

1. Secretarial Audit is primarily audit of compliance of various provisions of Companies Act, 2013 and other laws as mentioned in the audit report. Audit is conducted for transactions taking place during financial year 2015-16 and it should not be considered audit for any previous period. The compliance of the provisions of Companies Act, 2013 and other laws as mentioned in the report is the responsibility of the management. Our examination was limited to the verification of procedures on test basis.

Further, it is not about audit of financials and accounting transactions of the Company. We have not verified the correctness and appropriateness of financial records, financial statements, books of accounts, other financials, compliances of income tax and other tax laws and in this regard we relied upon the audit done by statutory auditors of the Company.

2. In terms of Secretarial Standard on Meeting of the Board of Directors issued by The Institute of Company Secretaries of India, the company is required to pass resolution at the Board meeting specifying the list of laws applicable specifically to the company.

The list of laws specifically applicable to the company as mentioned at Para (VI) of the report is based on the resolution passed by the Board on 30.05.2016.

3. Maintenance of secretarial record and its safe custody is the responsibility of the Company Secretary and other officers of the company. Our responsibility is to express an opinion on these secretarial records based on our audit.
4. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial record required to be maintained under the Companies Act, 2013. The verification was done on test basis to ensure that correct facts are reflected in such records in order to form a reasonable view and opinion.
5. In case compliances of various statutory provisions we have also obtained management representation letter especially for transactions where it is not feasible as an auditor to form view and opinion regarding compliance of various provisions.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company. Any person entering into transactions with the company should separately verify about the affairs of the company before such transaction keeping in view the nature of such transaction to be entered into with the Company.
7. During the financial year under review a Share Purchase Agreement has been executed between "Purchaser Promoter" Consisting of Mr. Naveen Sawhney, Managing Director of the company and "Seller Promoter Group" consisting of Mr. Devender Kumar Prashar, Mrs. Adesh Prashar, Mr. Rahul Prashar and Mr. Amit Prashar, with Company as a confirming party for giving effect to Inter-se transfer among the Promoters Groups.

After the above transaction, Mr. Naveen Sawhney, Promoter Director of the Company has acquired 33,23,173 equity share from the "Seller Promoter Group" at a price of Rs. 32.25 (Rupees Thirty Two and paisa Twenty Five only) per share and his individual shareholding increased from 27,24,849 (23.84%) equity shares to 60,48,022 (52.92%) equity shares. However, his holding together with Persons acting in concert will remain same at 66,46,438 Equity Shares as the aforesaid proposed transaction was inter-se between and amongst the Promoter Group only.

REPORT ON CORPORATE GOVERNANCE

I. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

Effective Corporate Governance is necessary to maintain public trust and to achieve business success. Corporate Governance calls for transparent decision making and accountability for safeguarding the interest of all stakeholders in the organization and your company believe that good Corporate Governance is essential to achieve Long Term Corporate Goals and to enhance stakeholder's value.

A good corporate governance framework incorporates a system of robust checks and balances between key players; namely, the Board, the management, auditors and various stakeholders. The roles and responsibilities of each entity must be clear understood and transparency must be enforced at each level at all times.

Your Company has a strong legacy of fair, transparent and ethical governance practices. The Company has adopted a code of conduct for the directors including the managing director and the executive directors and the management team. In addition, the Company has adopted a code of conduct for its non-executive directors and independent directors which suitably incorporates the duties of independent directors as laid down in the Companies Act, 2013 ("Act"). These codes are available on the Company's website. The Company's corporate governance philosophy has been further strengthened through the Code of Conduct for prevention of insider trading and the code fair disclosure of unpublished price sensitive information.

Pursuant to Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") the Company has executed fresh Listing Agreements with the Stock Exchanges.

The Company is in compliance with the requirements stipulated under Clause 49 of the Listing Agreements and Regulation 17 to 27 read with Schedule V and clauses (b) to (i) of sub-regulation (2) of regulation 46 of SEBI Listing Regulations, as applicable, with regard to corporate governance.

Independent Auditors' Report

To the Members of Cords Cable Industries Limited

Report on the Financial Statements

We have audited the accompanying standalone financial statements of Cords Cable Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with

ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

- b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) the Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rule, 2014;
- e) on the basis of the written representations received from the directors as on March 31, 2016, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) with respect to adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such control, refer to our separate report in 'Annexure B'; and
- g) With respect to the other matters to be included in Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- I. The Company has pending litigations of Rs. 37.49 Crore with Revenue Authorities, however it would not impact its financial position.
- II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

ANNEXURE - B

TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Cords Cable Industries Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of

controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as

at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Notes on the Financial Statements
For the year ended 31st March, 2016****1. Company Overview**

Cords Cable Industries Limited ("the Company") was incorporated on October 21, 1991 as "Private Limited" and it was later converted into "Public Limited" on May 10, 2006. The Company manufactured or developed a wide range of specialized cables to address the specific requirements of industries involving modern process technologies, instrumentation & communication demanding the highest standards of precisions and reliability with assured quality and safety standards.

2. Basis of Financial Statements**i) Statement of Compliance**

The financial Statements are prepared under the historical cost convention on an accrual basis, in accordance with the generally accepted accounting principals in India and compliance with the applicable accounting standards as notified under the Companies (Accounts) Rules, 2014. All assets and liabilities have been classified as set out in Schedule III to Companies Act, 2013.

ii) Use of Estimates

The presentation of financial statements conformity with the generally accepted accounting principals requires estimates and assumptions to be made that affect the reported amount of assets and liabilities and disclosure of contingent liabilities as on date of the financial statements and the reported amount of revenue and expenses during the reporting year. Differences between the actual results and estimates are recognized in the year in which the results are known or materialized.

3. SIGNIFICANT ACCOUNTING POLICIES**i) Basis of Accounting**

The financial statements are prepared under the historical cost convention on an accrual basis and in accordance with Generally Accepted Accounting Principals (GAAP) in India and Accounting Standards (AS) as notified by the Companies (Accounts) Rules, 2014. All assets and liabilities have been classified as criteria set out in Schedule III to Companies Act, 2013.

ii) Fixed Assets**a) Tangible Assets**

Tangible Assets are stated at their original cost. Cost includes acquisition price, attributable expenses and pre-operational expenses including finance charges, wherever applicable.

b) Capital Work in Progress

All pre-operative expenditure & trial run expenditure are accumulated as Capital Work-in-progress and is allocated to the relevant fixed assets on a pro-rata / reasonable basis depending on the prime cost of assets.

c) Expenditure (including financing cost relating to borrowed funds for construction or acquisition of fixed assets) incurred on project till date of commencement of commercial production are capitalized**iii) Depreciation****a) Depreciation on Fixed Assets is provided in accordance with the useful life as specified in Part C of Schedule II to the Companies Act, 2013.****b) Depreciation is not recorded on capital work-in-progress until that asset is ready for its intended use.****c) Lease hold lands are not depreciated.****d) Individual assets costing upto Rs.5000/- per item are fully write off in the year of purchase****iv) Impairment of Assets**

The Company assesses at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is higher of, an asset's net selling price and its value in use. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the

carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the reporting date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount and Impairment Losses previously recognized are accordingly reversed.

v) Inventories

- a) Inventories (other than scrap) are valued at lower of cost or net realisable value. The cost of inventories is computed on a FIFO basis. The cost of Finished Goods and work-in-progress include cost of conversion and other cost incurred in bringing the inventories to their present location and condition. Excise duty & Cess is included in finished goods valuation.
- b) Scrap is valued at net realizable value.

vi) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

- a) Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of goods. The company collects all relevant applicable taxes like sales taxes, value added taxes (VAT) etc. on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. Gross turnover is net of sales tax and inclusive of excise duty & cess.
- b) All other income are accounted for on accrual basis.
- c) Profit on sale of investments is recognized on the date of the transaction of sale and is computed as excess of sale proceeds over its carrying amount as at the date of sale.

vii) Employee Benefits

The Company's contribution to Provident Fund and Employee State Insurance Schemes is charged to the Profit and Loss account. The Company has unfunded defined benefit plans namely leave encashment and gratuity for its employees, the liability for which is determined on the basis of actuarial valuation, conducted annually, by an independent actuary, in accordance with Accounting Standard 15 (Revised) – "Employee Benefits", notified under the Companies (Accounts) Rules, 2014. Actuarial gains and losses are recognized in Profit and Loss account as income or expenses. Employee benefits of short term nature are recognized as expenses as and when it accrues.

viii) Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

ix) Foreign Currency Transactions

- a) Transactions in Foreign Currency are initially recorded at the exchange rate at which the transaction is carried out.
- b) Monetary Assets and Liabilities related to foreign currency transactions remaining outstanding at the year end and translated at the year end rate. The effect of Exchange rate fluctuations in respect of Monetary Assets is taken to Profit & Loss Account.
- c) Exchange differences on conversion of year-end foreign currency balances pertaining to long term loans (ECB) for acquiring fixed assets including capital work in progress are adjusted in the carrying cost of these assets.
- d) Non monetary foreign currency items are carried at cost.

x) Government Grants

An appropriate amount in respect of subsidy benefits earned estimated on prudent basis is

credited to income for the period even though the actual amount of such benefits finally settled and received after the end of relevant accounting period. Government grant relatable to fixed assets is adjusted with related asset.

xi) Taxes on Income

- a) Tax expense comprises of current tax and deferred tax.
- b) The Provision for taxation is ascertained on the basis of assessable profits computed in accordance with the provision of the Income Tax Act 1961. Deferred tax is recognized, subject to the consideration of prudence on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.
- c) Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations by the Institute of Chartered Accountants of India, the said asset is created by way of credit to the profit and loss account and shown as MAT credit entitlement.

xii) Financial Derivatives and Commodity Hedging Transactions

In respect of derivatives contracts, premium paid, gains/losses on settlement and losses on restatement are recognized in the Profit & Loss account except in case where they relate to acquisition or construction of fixed assets, in which case, they are adjusted to the carrying cost of such assets.

xiii) Provision, Contingent Liabilities and Contingent Assets

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made.

xiv) Contingent liability is disclosed for:

- a) Possible obligations which will be confirmed only by future events not wholly within the control of the Company or,
- b) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.
- c) Contingent Assets are not recognized in the financial statements since this may result in the recognition of income which may never be realized.

xv) Earning Per Share

Basic Earnings per Equity Share is computed using the weighted average number of equity shares outstanding during the year. Diluted Earnings per Equity Share is computed using the weighted average number of equity and dilutive potential equity shares outstanding during the year.

35. BASIC AND DILUTED EARNINGS PER SHARE :

The basic earnings per equity share is computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per share are computed using the weighted average number of equity shares and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been actually issued at fair value.

Dilutive potential equity shares are deemed converted as of the beginning of the year, unless they have been issued at a later date. The number of equity shares and potential diluted equity shares are adjusted for stock split, bonus shares, Convertible Preference Shares, Share Warrants and the potential dilutive effect of Employee Stock Option Plan as appropriate.

Basic & Diluted Earnings per share of the company is as under:

(Amount in Rs.)
